CAPABILITY STATEMENT

Background

Cambridge Land Consultants operates nationally in respect of all matters relating to compensation, wayleave and easement negotiations for electricity apparatus and networks. The firm was established in 2008 as a specialist consultancy for land and property owners.

Professionals

The firm employs fully qualified Members of the Royal Institution of Chartered Surveyors and Fellows of the Central Association of Agricultural Valuers to represent clients in electricity matters.

Governing bodies

The firm is Regulated by the Royal Institution of Chartered Surveyors and must adhere to the strict training requirements and Codes of Conduct governing client care. The Central Association of Agricultural Valuers also has similar codes governing client interests.
